The streets will never feel the same again.
Heads will turn. Jaws will drop.
Heartbeats will race. And respect will follow.
Just some things you’ll get used to,
every time you get behind the wheel of
the Volkswagen Polo. It’s powerful and
it’s ready to thrill; all on your command.

Power,
on command.
When a car comes with power this formidable, it shows. And in this case, effortlessly so. Take for instance, the bold Front Grille, or the Dual-beam Headlamps that together make this a visual treat. The Body-coloured Door Handles and the Chrome highlights on the air dam make sure the car looks sleek from every angle.

But there’s more than meets the eye. Its Electronically Foldable Side Mirrors integrated with turn indicators can be adjusted automatically from your seat.

The Dual-beam Headlamps and front Fog Lamps come with cornering lights that are meant for additional safety. The Heat Insulated Glass on the side and rear windows are added to keep you cool.

With the R16 ‘Portago’ Alloys, the Volkswagen Polo is ready to serve both, the tough and the trendy. You could say, it’s power that spoils the right way.

It’s earned the stripes.
Go on a power trip.
Powerful outside. Power-packed inside.

The Volkswagen Polo has many tricks up its sleeve. Starting with its multi-functional, leather-wrapped steering wheel that is known to transform even the most lifeless of roads into exciting speedways. That's not all. The brushed-aluminium finish marks its powerful persona and the scratch-resistant interiors keep up with it.

Step inside and prepare to be awed. Keeping comfort and safety in mind, the Volkswagen Polo includes a new Auto-dimming IRVM that dims out any glare from vehicles that trail behind. In case of a sudden downpour, its Rain Sensor automatically activates the wipers.

Features and accessories shown may not be part of standard equipment. Interior image of Highline trimline.
From finely upholstered seats in a black-and-orange splendour fabric, to the Front Centre Armrest and a Cooled Glovebox that keeps you company on hot days, everything about the Volkswagen Polo makes you feel at home. The Rear AC Vent makes sure that your co-passengers have a comfortable journey, no matter what the temperature is outside.

Those long drives on highways will now become effortless with Cruise Control that helps maintain a steady speed. Take charge of the Multi-function Steering Controls that let you manage the radio, music and your phone effortlessly. Apart from the driving controls, the dashboard packs a Touchscreen Infotainment System, an advanced multi-function display, and everything you need at the touch of a button. What’s more, you can make and receive calls through a simple voice command. Just connect your phone to its multi-function console using Bluetooth and click the command button on the steering wheel to operate. Now, nothing can stop you from dominating the roads.

It’s what’s inside that counts.
Power, uninterrupted.

Rev the engine, make it moan to be lord of your own drums. The 1.5 L TDI Diesel Engine is a powerhouse of versatility. A 4-cylinder beauty coupled with a 5-speed Manual Transmission. The engine, also available in a compact and fuel efficient 1L MPI Petrol option, is tailor-made with state-of-the-art precision.

Nothing feels as good as a heady boost of confidence. Which is why every Volkswagen out of the factory is a force to be reckoned with. Trusted, checked, re-checked and rigorously quality-controlled to the nines, it comes in high-strength Steel Framing, with Anti-lock Braking System (ABS). Soothing comfort as you ride in a Galvanised Steel Body that’s enclosed by laser-welded roof, and equipped with Dual-front Airbags as standard, the Volkswagen Polo is the safest premium hatchback in its segment.

Being in power is also about being in control.

Motorsport

At Volkswagen, we always play ahead of the game. From pioneering the world’s finest engineering to the many innovative firsts celebrated by our cars. That includes the outstanding performance of our 1.6L turbo-charged Race Polo at the World Rally Championship, year on year. Drivers Sébastien Ogier and Julien Ingrassia led the car to its third consecutive ‘Manufacturer of the Year’ title in 2015. The car even boasts of snapping the ‘Overall Champion’ title at the 2014 Indian Rally Championship, 1600cc class.

Winning. It’s in our DNA.
Volkswagen Genuine Roof Edge Spoiler

The Roof Edge Spoiler not only looks sportier but is also effective. Its understated sporty look significantly enhances the tail end of the vehicle while simultaneously improving the aerodynamics.

Volkswagen Genuine Roof Bars
Part No. 6R0 071 126 For 4-door

Well-equipped on the move - thanks to the Volkswagen Accessories Roof Bar Systems. The basis for this are the perfectly fitting, aerodynamically-shaped aluminium profile roof bars to which, for example, surf board, bicycle, ski and snowboard holders or the practical roof boxes can be attached in no time at all. The roof bars are completely pre-assembled and are not only City Crash1 tested but have also passed the even stricter standards of the Volkswagen City Crash Plus Test. The maximum load-bearing capacity is 17 kg.

Volkswagen Genuine Bicycle Carrier
Part No. 000 071 128 F

The aerodynamic Bicycle Carrier, which is made of UV resistant plastic, is mounted on the roof bars using chromed steel holders. The bicycle automatically slides upright into the self-adjusting wheel receiver and is secured. The perfectly fitting, completely pre-assembled supporting rods are not only City Crash1 tested but have also passed the even stricter standards of the Volkswagen City Crash Plus Test.

The maximum load-bearing capacity is 17 kg.

Comfort and protection.

We’ve left no stone unturned in crafting interiors that are a class above the rest. And the cozy new seat covers are testimony to the attention we give to every fine detail. All upholstery has two things in common – high-quality materials and uncompromising workmanship – protecting your seats against wear and giving you maximum comfort and support. While bold new enhancements make up the interiors, leatherette seat covers with stitching add to the richness of your seat, making it the centre of cool.

Features:
- UV resistant
- Easy to maintain
- Tear resistant
- Fire retardant
- No chemical odour

The honeycomb design adds a more pronounced effect to your seats.
