# Power to play

Remember the toy car that went vroom.

For everything was play,

when your imagination filled the room.

Pipes were tunnels,

and floors were highways.

Armchairs were racetracks,

and doors were getaways.

Remember that feeling?

Well, we're bringing it back.

The Polo.

#PowerToPlay

# Maximum power minimum consumption

Engines should be about getting more, not settling for less.

Volkswagen's revolutionary TSI engine strikes a fine balance between both, power and efficiency. It dominates with 110 PS and 175 Nm torque.

You'd think all this power would guzzle a lot of fuel, but you'd be wrong. It gets you through more kilometres with lesser emissions. Complementing this breakthrough internal framework is the superior build quality of Volkswagen.

Trust us, it won't cost you the Earth.

# Power meets efficiency

Rev the engine, make it match to the beat of your own drums. A 3-cylinder beauty coupled with 5-speed Manual Transmission, the new eco-friendly 1L MPI engine in Volkswagen Polo is BS6 compliant. Compact and powerful, it's tailor-made with state-of-the-art precision to give you a memorable drive.

- 1 1L MPI Petrol Engine
- 2 BS6 Compliant
- 3 5-speed Manual Transmission

# **Dressed to** impress

The Polo comes with more than just power.

It comes with the style to carry it off effortlessly.

Its all-new sporty aesthetics, inspired by the GTI,

flow smoothly into the indomitable Honeycomb Grille,
as well as the new Front and Rear Bumpers.

The bold new Smoked Tail Lamps dazzle as they stand out and stand their own ground in this list of luminaries, while the Side Skirts outline the new playful personality of the Polo. Get in and make the roads your playground.

2 New Sporty Side Skirts

3 New Front Bumper

4 New Rear Bumper with Diffuser

5 New Smoked Tail Lamps

- 1 Dual-beam Headlamps and Front Fog Lamps
- 2 Heat Insulated Glass
- 3 Body-coloured Door Handles
- 4 Electronically Foldable Side Mirrors
- 5 Boot Opener in Volkswagen Logo
- 6 R16 'Portago' Alloys

# Ready

## for fun

Nothing should come in the way of a fun driving experience. Which is why, we've made sure that every feature caters to your taste. Like the sporty R16 'Portago' Alloys, that are ready to serve both, the tough and the trendy. The stylish Electronically Foldable Side Mirrors, integrated with turn indicators, can be adjusted from your seat, while the Body-coloured Door Handles add to the distinct looks of the car.

The Dual-beam Headlamps and Front Fog Lamps come with cornering lights that are meant for additional safety. The Heat Insulated Glass helps you keep your cool, no matter the weather. Even our Boot Opening Lever makes the smallest of actions like opening the boot absolutely effortless. Just a small testimony to the attention we give to every fine detail.

## Make

### a statement

Get ready to be awed every time you enter the Polo's black and grey cabin accentuated with chrome accents. Sink into the stylish upholstered seats, while the ambient lighting with theatre dimming effect, sets the mood.

The Leather-wrapped Steering Wheel feels as elegant and smooth to the hand as it is to handle, and comes with a brushed-aluminium finish that adds just the right amount of class to it.

The sweeping, scratch-resistant Dashboard houses an intelligent Touchscreen
Infotainment System, an advanced Multi-function Display and everything you need
at your fingertips.

The Multi-function Steering Controls let you stay in charge of the radio, music and your phone effortlessly, so there's never a dull moment. What's more, you can make calls through a simple voice command.

- 1 Multi-function Steering Controls
- 2 Touchscreen Infotainment System
- 3 Reach and Rake Adjustable Steering Wheel
- 4 Stylish Upholstery
- 5 High-quality, Scratch-resistant Dashboard

# Play with

### ease

We've left no stone unturned in crafting comfortable interiors that are intuitive and a cut above the rest. Like the Mirror Adjustment Control, that's optimally placed and easy to use, to the Front Centre Armrest with concealed storage.

Even those long drives on highways will now become effortless with Cruise Control that helps maintain a steady speed.

The Auto-dimming IRVM dims out any glare from vehicles that trail behind to save your eyes from strain. And in case of a sudden downpour, the Rain Sensor automatically activates the wipers. The Climatronic automatic air-conditioning, along with Rear AC Vent and the Cooled Glovebox, makes sure that all passengers have a comfortable journey, no matter what the temperature is outside. Now, nothing can stop you from being in your element with the Polo.

- 1 Auto-dimming IRVM
- 2 Cruise Control
- 3 Rear AC Vent
- 4 Automatic Rain-sensing Wipers
- 5 Mirror Adjustment Controls
- 6 Front Centre Armrest
- 7 Cooled Glovebox

# Lose the ability to blend in

The Polo makes a style statement even before it arrives. It's got enough red to pump adrenaline through veins and endorphins through brain.

Enough brilliance that it looks like a beautiful garnet that playfully fits between a spectrum of hues. And more than enough lustre to get your heart racing the moment you lay your eyes on this stunning colour.

## Responsible

## power

Nothing feels as good as a heady boost of confidence. Which is why every

Volkswagen out of the factory is a force to be reckoned with. Trusted, checked,

re-checked and rigorously quality-controlled to accuracy, it comes in a

High-strength Steel Frame, with Anti-lock Braking System (ABS).

Seats nestled comfortably as you ride in a Galvanised Steel Body that's enclosed by
a laser-welded roof, and equipped with Dual-front Airbags as standard.

- 1 Dual-front Airbags
- 2 Anti-lock Braking System (ABS)

## Most badges are made

## This one's earned

The legendary Polo GT commands the kind of respect that doesn't come easy. Its revolutionary TSI engine strikes the perfect balance between power and consumption. While the 6-speed AT offers a seamlessly smooth gearshift, letting you blaze down the road at 110 PS power and 175Nm torque.

The iconic ride comes with a bold GT badge on a suave honeycomb grille, distinct black outside rear-view mirrors that are designed to stand out and effortlessly stunning sporty features - a package that offers the kind of power to play the rest of the road can only dream of.

Formed of special UV resistant plastic, the aerodynamic Bicycle Carrier is mounted on the roof bars using chromed steel holders. The bicycle slides effortlessly into the self-adjusting wheel receiver, leaving both hands free for fastening. As the roof bars, the pre-assembled supporting rods are also City Crash1 and City Crash Plus Test approved. They have a handy maximum load-bearing capacity of 17 kg.
