Remember the toy car that went vroom.
For everything was play,
when your imagination filled the room.
Pipes were tunnels,
and floors were highways.
Armchairs were racetracks,
and doors were getaways.
Remember that feeling?
Well, we’re bringing it back.
The Polo.
#PowerToPlay
The Polo comes with more than just power. It comes with the style to carry it off effortlessly. Its all-new sporty aesthetics, inspired by the GTI, flow smoothly into the indomitable Honeycomb Grille, as well as the new Front and Rear Bumpers. The bold new Smoked Tail Lamps dazzle as they stand out and stand their own ground in this list of luminaries, while the Side Skirts outline the new playful personality of the Polo. Get in and make the roads your playground.

Dressed to impress

2. New Sporty Side Skirts
3. New Front Bumper
4. New Rear Bumper with Diffuser
5. New Smoked Tail Lamps
Lose the ability to blend in

The Polo makes a style statement even before it arrives. It's got enough red to pump adrenaline through veins and endorphins through brain. Enough brilliance that it looks like a beautiful garnet that playfully fits between a spectrum of hues. And more than enough lustre to get your heart racing the moment you lay your eyes on this stunning colour.
Nothing should come in the way of a fun driving experience. Which is why, we’ve made sure that every feature caters to your taste. Like the sporty R16 ‘Portago’ Grey Alloys, that are ready to serve both, the tough and the trendy.

The stylish Electronically Foldable Side Mirrors, integrated with turn indicators, can be adjusted from your seat, while the Body-coloured Door Handles add to the distinct looks of the car.

The Dual-beam Headlamps and Front Fog Lamps come with cornering lights that are meant for additional safety. The Heat Insulated Glass helps you keep your cool, no matter the weather. Even our Boot Opening Lever makes the smallest of actions like opening the boot absolutely effortless. Just a small testimony to the attention we give to every fine detail.
Make a statement

Get ready to be awed every time you enter the Polo’s black and grey cabin accentuated with chrome accents. Sink into the stylish upholstered seats, while the ambient lighting with theatre dimming effect, sets the mood.

The Leather-wrapped Steering Wheel feels as elegant and smooth to the hand as it is to handle, and comes with a brushed-aluminium finish that adds just the right amount of class to it.

The sweeping, scratch-resistant Dashboard houses an intelligent Touchscreen Infotainment System, an advanced Multi-function Display and everything you need at your fingertips.

The Multi-function Steering Controls let you stay in charge of the radio, music and your phone effortlessly, so there’s never a dull moment. What’s more, you can make and receive calls through a simple voice command.

Power meets efficiency

Rev the engine, make it match to the beat of your own drums.

A 3-cylinder beauty coupled with 5-speed Manual Transmission, the new eco-friendly 1L MPI engine in Volkswagen Polo is BS6 compliant.

Compact, powerful and with a fuel-efficiency of 17.75 KMPL, it’s tailor-made with state-of-the-art precision to give you a memorable drive.

Responsive power

Nothing feels as good as a heady boost of confidence. Which is why every Volkswagen out of the factory is a force to be reckoned with. Trusted, checked, re-checked and rigorously quality-controlled to accuracy, it comes in a High-strength Steel Frame, with Anti-lock Braking System (ABS).

Seats nestled comfortably as you ride in a Galvanized Steel Body that’s enclosed by a laser-welded roof, and equipped with Dual-front Airbags as standard.
We’ve left no stone unturned in crafting comfortable interiors that are intuitive and a cut above the rest. Like the Mirror Adjustment Control, that’s optimally placed and easy to use, to the Front Centre Armrest with concealed storage. Even those long drives on highways will now become effortless with Cruise Control that helps maintain a steady speed.

The Auto-dimming IRVM dims out any glare from vehicles that trail behind to save your eyes from strain. And in case of a sudden downpour, the Rain Sensor automatically activates the wipers. The Climatronic automatic air-conditioning, along with Rear AC Vent and the Cooled Glovebox, makes sure that all passengers have a comfortable journey, no matter what the temperature is outside. Now, nothing can stop you from being in your element with the Polo.
Engines should be about getting more, not settling for less. The TSI’s revolutionary 1.0 litre engine strikes a fine balance between both, power and efficiency. It dominates with a 110PS and 175 Nm torque. You’d think that all this power would guzzle a lot of fuel, but you’d be wrong. At 18.24 km/l*, it’s just a sip. It gets you through more kilometres, with lesser emissions too.

Complementing this breakthrough internal framework is the superior build quality of Volkswagen. Trust us, it won’t cost you the earth.

Volkswagen Genuine All-weather Floor Mats
Keep the footwell clean all year round; the perfectly fitting, durable rubber Floor Mat Set with Polo embossing on the front mats does not simply keep out dirt and moisture, but is also considerably lighter and has less odour than conventional set mats. The set is 100% recyclable and are attached to the vehicle floor using the integrated fastening system to prevent slipping.

Part No. 6RG 061 500 A

Volkswagen Genuine Premium Textile Floor Mats
The textile Floor Mats are made from a special hard-wearing, ribbed woven velour and they fit in very snuggly into the footwells. The front mats that house the Polo lettering are fixed in place on the lower edge, using the points provided in the floor area. With the anti-slip rear coating the rear mat never ends up where they aren’t supposed to be.

Black: Part No. 6RG 061 225 041
Beige: Part No. 6RG 061 225 UH5

Volkswagen Genuine Mudflaps
Driving in wet weather conditions can be a messy affair for both your car and the one right behind you. Keep flying dirt, stone and pebbles and sprays of water at bay with these extremely durable mudflaps.

Roof Box, Matt Black

The Roof Box has an impressive volume of roughly 340 litres and has been designed to not diminish, but rather enhance the aerodynamic design of the car. It’s also handy in eliminating unpleasant noises threatening to disturb the driving experience. The Roof Box has been adapted to the modern design line of the new Volkswagen models. It opens from one side and is equipped with a 2-lock system. Thanks to the comfort sliding fitting system, the box is easy to mount on the roof bars with minimal motions.

Part No. 000 071 200

Volkswagen Genuine Bicycle Carrier

Formed of special UV resistant plastic, the aerodynamic Bicycle Carrier is mounted on the roof bars using chromed steel holders. The bicycle slides effortlessly into the self-adjusting wheel receiver, leaving both hands free for fastening. As the roof bars, the pre-assembled supporting rods are also City Crash1 and City Crash Plus Test approved. They have a handy maximum load bearing capacity of 17 kg.

Part No. 000 071 128 F

Volkswagen Genuine Roof Bars

Be well-equipped for the best of adventures with the help of the Volkswagen Accessories Roof Bar Systems. The perfectly fitting, aerodynamically-shaped aluminium profile roof bars are perfect for things like surfboards, bicycles, skis and snowboards or even roof boxes. The roof bars are entirely pre-assembled and are not only City Crash1 tested but have also passed the much stricter Volkswagen City Crash Plus Test.
